### **Duty of Care Statement**

When you register to play with a Football Club, you are reminded that Football is a body contact sport. Potential, notwithstanding all safety guards, exists for a player to sustain injury. Players must therefore prepare themselves for the game by having a commitment to training and a high level of fitness.

As a measure of your club and Football Victoria's support to players and officials, they have arranged insurance cover as set out in this document and for your benefit and risk protection.

In addition to these policies all players and officials are encouraged to take out private health insurance, life insurance and 'top up' cover over and above that is outlined on the previous page to ensure individual needs and circumstances are met.

For any advice or additional insurance cover that you may require please contact Gow-Gates.
